Free Range Content, Inc. v. Google LLC, 5:14-cv-02329-BLF  
Class Member No: 1009629  
Control No: 0660328978

Dear Sir/Madam:

I have been informed that my Rights may have been violated by Google LLC -

I am the Founder & CEO of PopuTrust ([www.popustrust.com](http://www.popustrust.com)) which offers Data Privacy and Data Security Services. As an established Google AdSense Expert with 20 years of experience – I am particularly sensitive to AdSense breach of contracts and have spent millions on Google AdSense in the day-to-day aspects of my business over 20 years as a digital ad Agency.

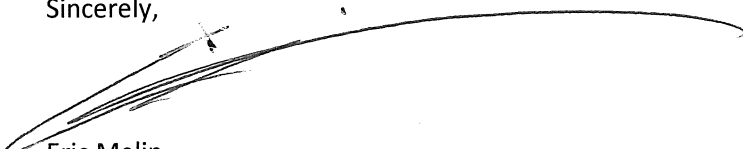

I was/am a Client / Customer between May 20, 2010, and May 7, 2018, however, the Google AdSense account is linked to Google Analytics, and Google Gmail, and many other services controlled by Google – so the Class Action cannot be limited to the one AdSense Account.

**I object** to the Class Action in every possible way and will be pursuing independent recourse. I realize the Class Action will attempt to dismiss my objection – but I have an Advertising Agency that represents dozens of AdSense accounts – each needs to be handled separately and uniquely in order for the court to consider fairly and determine a percentage / accurate number of accounts / replies.

Further, I believe that Settlement Fund is excessive for the Attorneys' Fees - and requests that the Court consider another method of determining pro-rata payouts should they be assessed - such as billable hours spent to assure that Funds are available to the effected parties.

Additionally, I request a list of Non-Profit Organizations and the method by which determination/selection is made should the Settlement Fund have a balance remaining.

Sincerely,

Eric Melin
